

Horizon App for iOS

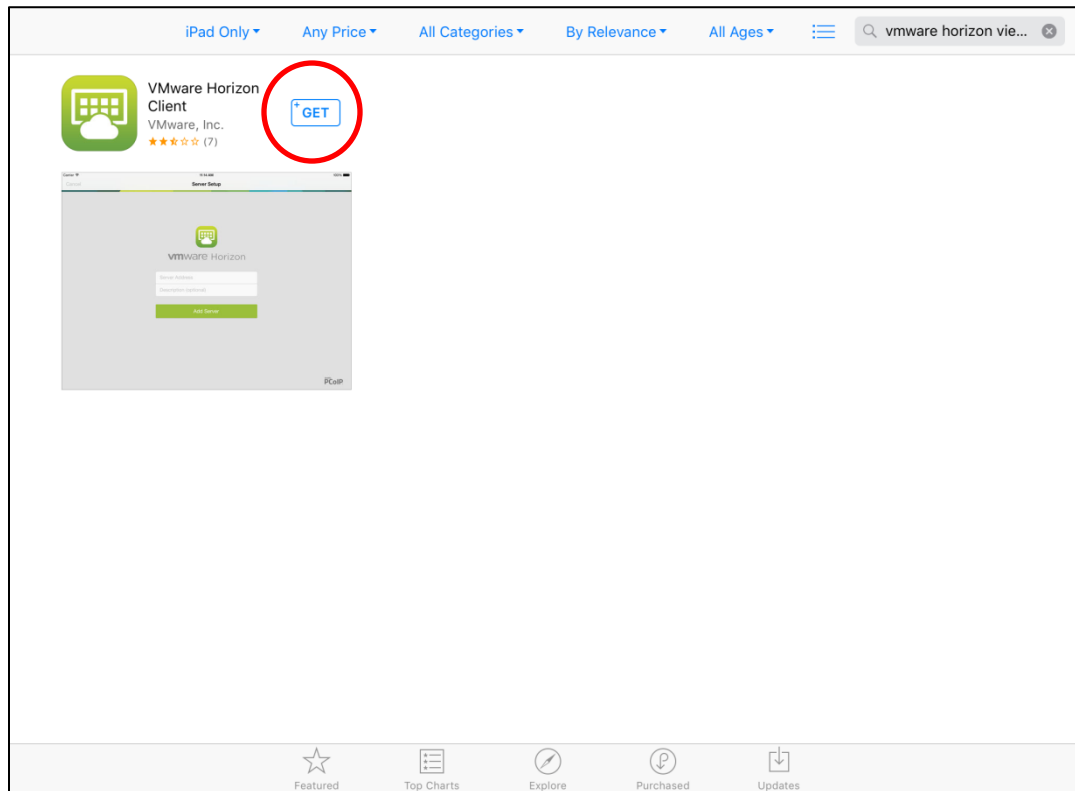

1. Tap on the App Store icon.

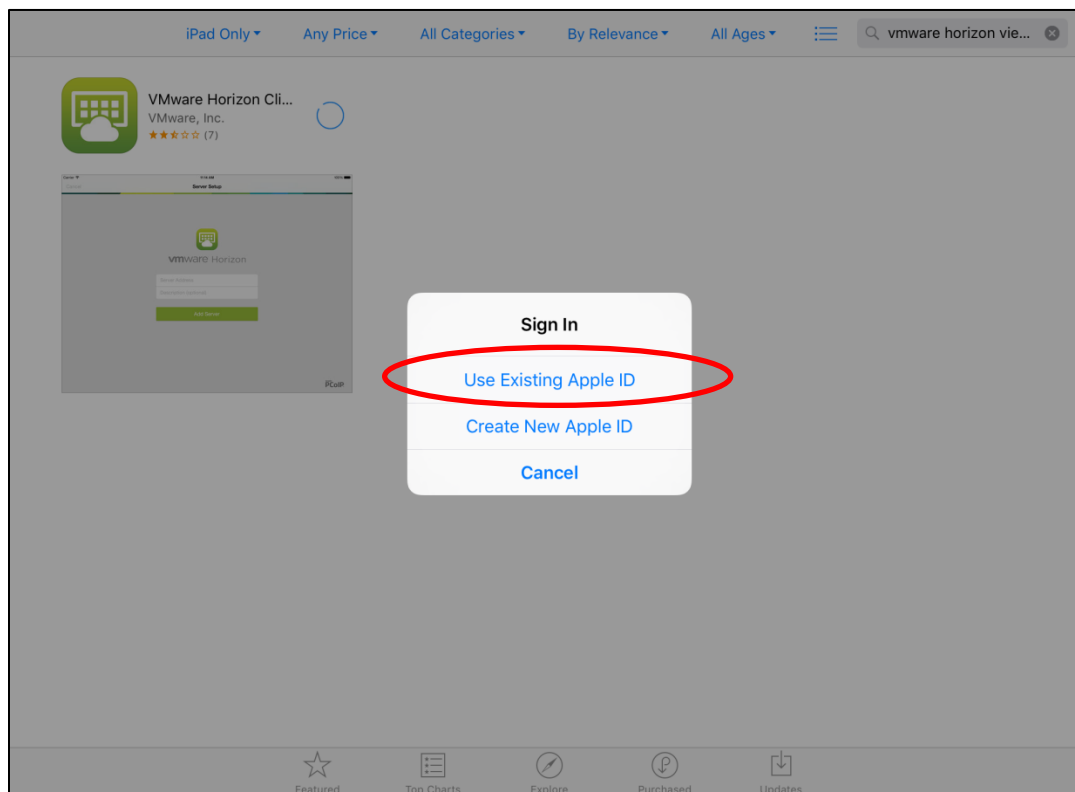

2. Search for *VMWare Horizon View Client*.

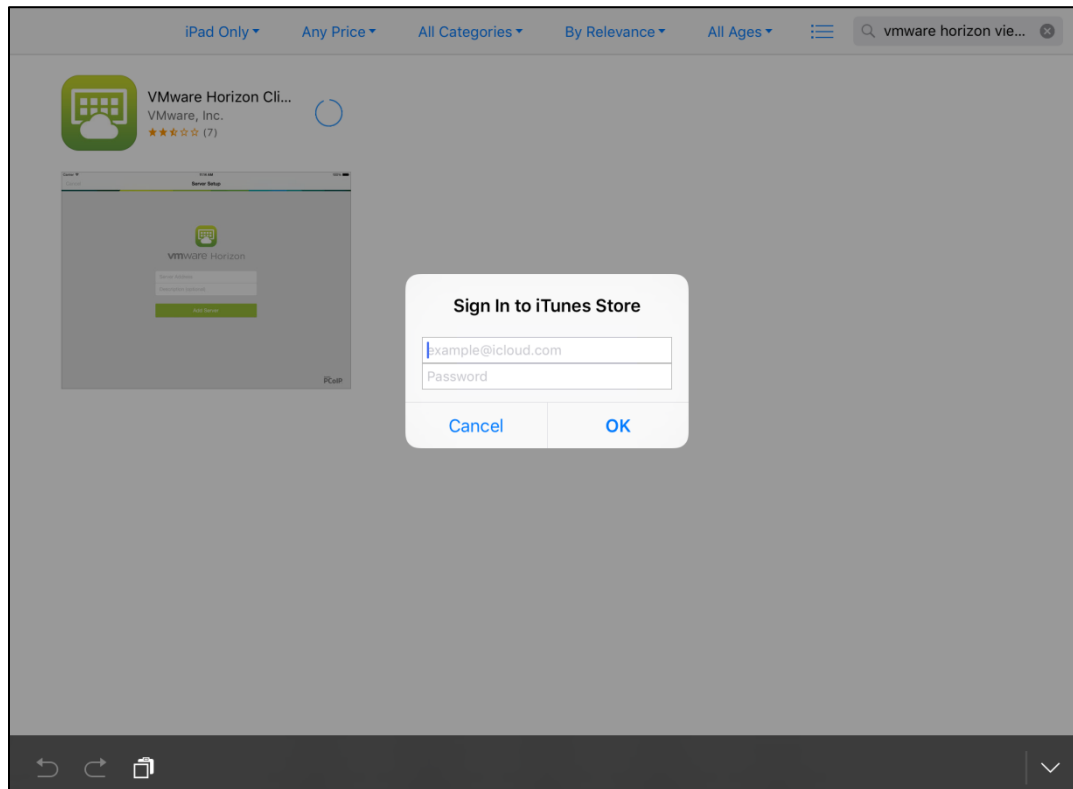

3. Tap **Get** to start the installation.

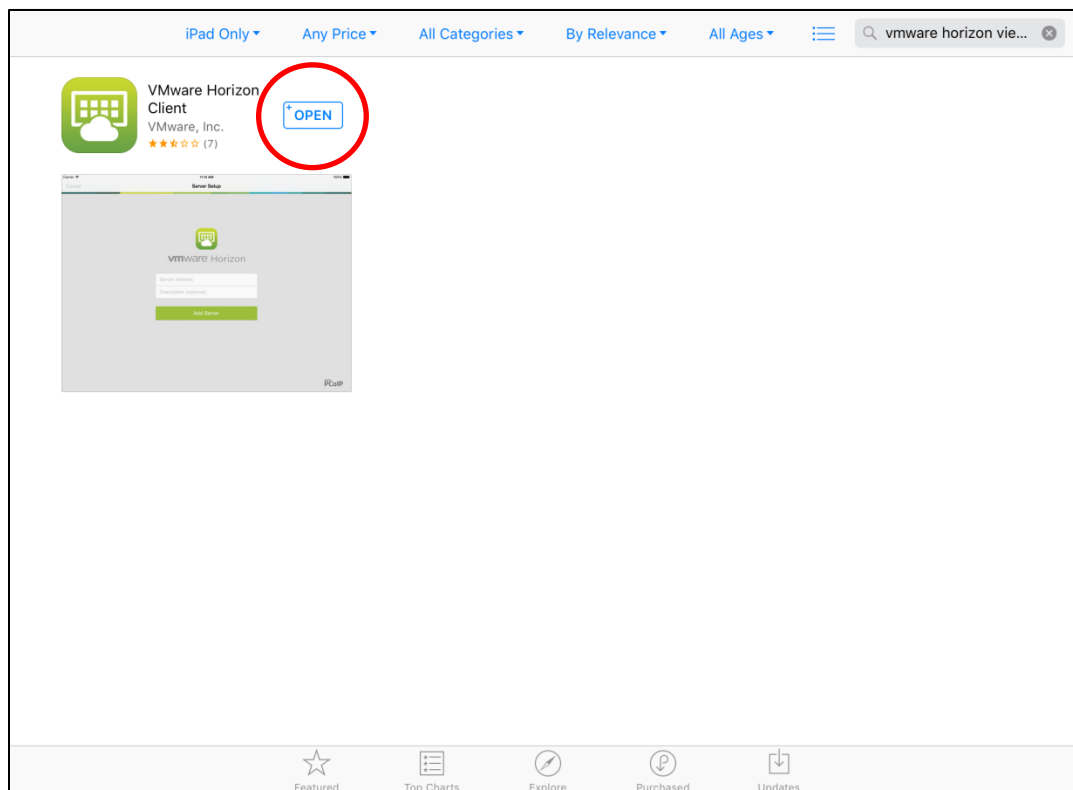

4. Tap **Use Existing Apple ID**.

5. Enter your Apple ID and Password. Tap **OK**.

6. After the app downloads and installs, tap **Open**.

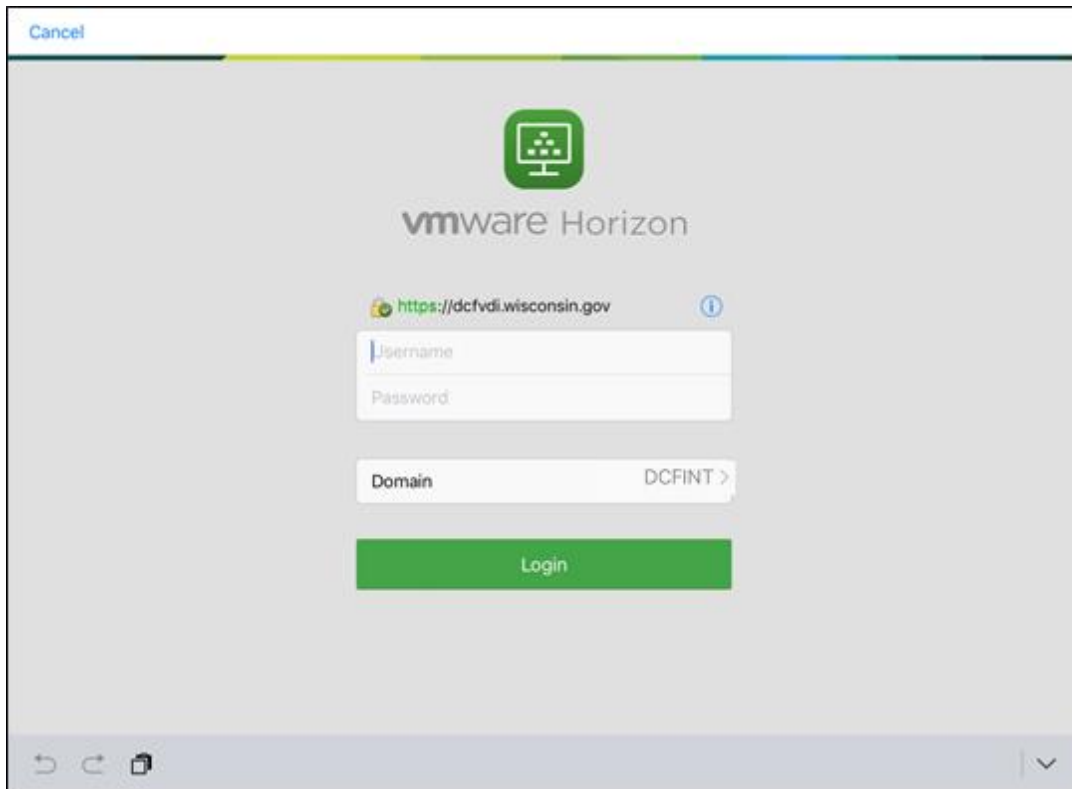

7. In the Server Address field, enter **dcfvdi.wisconsin.gov**. Tap **Add Server**.

The screenshot shows the 'Server Setup' screen in the VMware Horizon application. At the top, there are three tabs: 'Cancel', 'Server Setup' (which is highlighted with a green bar), and 'Settings'. The main area features the VMware Horizon logo. Below the logo is a form with two fields: 'Server Address' and 'Description (optional)'. The 'Server Address' field contains the text 'dcfvdi.wisconsin.gov'. Below these fields is a green button labeled 'Add Server'. At the bottom of the screen, there is a navigation bar with icons for back, forward, and a document, and a dropdown arrow on the right.

8. Enter your ACCOUNTS username in the username field and enter your Vasco passcode in the Passcode field. Tap **Login**.

The screenshot shows the login screen in the VMware Horizon application. At the top, there is a 'Cancel' button. Below it is the VMware Horizon logo. Under the logo is a URL bar showing 'https://dcfvdi.wisconsin.gov' with an information icon on the right. Below the URL bar is the text 'ENTER YOUR VASCO USER NAME AND PASSCODE.' followed by two input fields: 'Username' and 'Passcode'. Below these fields is a green button labeled 'Login'. At the bottom of the screen, there is a navigation bar with icons for back, forward, and a document, and a dropdown arrow on the right.

9. Ensure the Domain is set to *DCFINT*. Enter your DCFINT username and password. Tap **Login**.

The image shows the VMware Horizon login interface. At the top left is a 'Cancel' link. In the center, there is a green VMware logo above the text 'vmware Horizon'. Below this, the URL 'https://dcfvd1.wisconsin.gov' is displayed with an information icon to its right. There are three input fields: 'Username', 'Password', and 'Domain'. The 'Domain' field is pre-filled with 'DCFINT' and has a dropdown arrow to its right. Below the input fields is a large green 'Login' button. At the bottom left, there are navigation icons for back, forward, and home. At the bottom right, there is a dropdown arrow.

10. Tap on the VDI icon.
